

## NEWS RELEASE

**RELEASE DATE:** Thursday, June 10, 2010

### **View Systems' Network Services Division Completes Project at a Federal Government Facility in Maryland**

BALTIMORE, MD -- (GLOBE NEWSWIRE) - June 10, 2010 -- View Systems, Inc. (OTC BB: [VSYM.OB](#)), a security and tele-data solutions provider, announced today that the company's Network Services Division just completed a high-definition security camera install at a government facility in Aberdeen, Maryland.

As a result of the quality of work, View has received indication that the facility will elect to add additional wireless cameras to the site.

In addition, the company has received a wireless surveillance installation contract in a large Maryland marina.

Paul Price, Vice President of View's Network Services Division, states, "We are pleased to have satisfactorily completed the job at the highly-secured facility in Aberdeen, and look forward to additional orders."

#### **About View Systems:**

View Systems, Inc. manufactures and installs weapons detection identification systems, video management platforms and tele-data communication networks targeted towards correctional facilities, schools, courthouses, government agencies, event and sports venues, and commercial businesses.
