VIEW SYSTEMS ANNOUNCES FURTHER INTEREST IN ITS PRODUCTS FROM THE MIDDLE EAST

BALTIMORE, MD -- (CRWE NEWSWIRE) – June 25, 2009 -- View Systems, Inc. (OTC BB: [VSYM.OB](#)), a security and teledata solutions provider, announced today that the company continues to receive substantial interest in its range of products from the Middle East.

View Systems, Inc. announced today that it continues to receive substantial interest in its range of products from the Middle East, this time from Lebanon and Iraq. Discussions are underway with a strong potential agent/partner who would be responsible for sales and marketing of the Viewscan and MMV ranges, as well as after-sales support, maintenance and training.

A marketing and demonstration trip is now being planned to present View Systems' products to potential purchasers including Government, local law enforcement and private sector organizations.

Gunther Than, CEO of View Systems, states, "We have always maintained great enthusiasm for the potential for further substantial product sales in this region of the world. We are actively seeking to build on our earlier successes in markets such as the United Arab Emirates, where we have strong representation through the Belhassa Group. We are highly confident that the markets of Lebanon and Iraq will prove to be very rewarding for us."
