## View Systems Continues to Promote Retail Sales on FiberXpress.com

BALTIMORE, MD -- (GLOBE NEWSWIRE) – October 13, 2009 -- View Systems, Inc. (OTC BB: [VSYM.OB](#)), a security and teledata solutions provider, announced today that the company continues to promote FiberXpress, Inc., a web-based business that specializes in online sales of fiber and copper networking equipment and connectivity products. View acquired FiberXpress, Inc. in July.

Customers can visit the FiberXpress website to place online orders for cables, assemblies, converters, and other materials of the sort. Recently, View added its own product, the LAW Handheld Metal Detector, to FiberXpress' list of products that can be ordered online. The LAW can be used in a variety of applications, ranging from law enforcement screenings, to finding studs in walls at construction sites.

FiberXpress, Inc. is a Maryland-based company that started in 2000. IT professionals throughout the USA, along with companies like Caterpillar, General Electric and General Dynamics purchase directly from [www.fiberxpress.com](http://www.fiberxpress.com).

Gunther Than, CEO of View Systems, states, "I'm proud to expand our selection of products via FiberXpress.com. It's evident that online sales are vital to business today, so we are looking forward to the many opportunities that working with the FiberXpress website will bring."
