VIEW SYSTEMS ANNOUNCES LARGE-SCALE FIBER OPTIC CONTRACT

BALTIMORE, MD -- (GLOBE NEWSWIRE) -- June 15, 2010 -- View Systems, Inc. (OTC BB: [VSYM.OB](http://www.viewsystems.com)), a security and tele-data solutions provider, announced today that the company's Network Services Division has received a contract to run fiber optic pathways to a series of approximately 108 multi-dwelling units.

The jobs will take place in and around the Baltimore area. View's team of technicians is gearing up to embark upon this significant project.

Paul Price, Vice President of View's Network Services Division, states, "We were chosen to carry out this large set of installations because of our responsible and steady work ethic, our style of neatly running pathways, and our ability to meet and exceed expectations. We look forward to starting work on this extensive project, and gaining additional fiber optic contract work."
