

NEWS RELEASE

RELEASE DATE: 10/03/2012

View Systems Is Listed On OTCBB & Continues to Install Systems.

BALTIMORE, MD--(Marketwire -10/03/2012)- View Systems, Inc. ([VSYM](#)), a weapons detection and access control provider, announced today the company has returned to the Over the Counter exchange with its "BB" listing as of October 1, 2012.

The company continues to install units from existing orders and has received and is delivering additional orders to multiple states. California has ordered additional units for its probation department and simultaneously View is in the process of installing an additional six units. View Systems units were also on the job to secure personnel at the National Democratic Convention. View received an overwhelming reception at the annual **ASIS** 2012 Security Conference & Exposition in Philadelphia.

Chairman Dr. Martin Maasen commented, "Director of Business Development John Rademaker has brought several new dealers including Installations Inc. Installations Inc. is a leader in bullet resistant security enclosures. View has partnered with Installations Inc. to create a new comprehensive portable security checkpoint which is being delivered to multiple locations in Detroit, Michigan."
